

FREQUENTLY ASKED QUESTIONS

How does the program work?

Members are assigned an Auto-Pilot Rewards Program™ Automated Pass, which is linked to a credit card kept on file. Simply enter and exit through one of the designated lanes with an automated reader. ***NOTE: Only selected entrance/exit lanes have automated readers. Please look for the reader directly above the gate. They are white and approximately 1ft x 1ft. If you park in Lots 3, or 4 the automated reader is located in the bus lane and you must use this lane to enter/exit. Do NOT pull a ticket. The automated pass should be mounted or held next to the rearview mirror upon entrance/exit.**

The system will automatically calculate your time in and out, the credit card on file is automatically charged for the appropriate hours and days of parking, and your Auto-Pilot Rewards Program™ account is credited with points from your stay. **Members are awarded 1 point per dollar spent** on parking in any of the Bradley Airport parking lots or garages. When you are ready to redeem for FREE parking, simply login to your Auto-Pilot Rewards Program™ account and select the day(s) and lot or garage for which you would like to redeem.

How do I sign up?

You must enroll online by visiting: <https://fpp.parkbradley.com/fpp/>. You will be mailed a free Auto-Pilot Rewards Program™ Automated Pass in 5 to 7 days.

I've been parking at Bradley Airport for a long time; can I receive credit for those past stays?

Unfortunately, no. The Auto-Pilot Rewards Program™ is set up so that points can only be accumulated from the day a member receives their Auto-Pilot Rewards Program™ Automated Pass. No retroactive points will be given.

Are points awarded based on the total of the receipt with tax or before tax?

Points are awarded based on the total of the receipt **AFTER** tax.

FREQUENTLY ASKED QUESTIONS

How do I redeem points for Free Parking?

First, login to your Auto-Pilot Rewards Program™ account and select “Rewards”. Next, select the garage or lot you would like to park in. Then, follow the step-by-step guide to redeem for the number of calendar days you would like to park with your available number of points. Note that the system will not allow you to redeem for a garage or lot or a select number of days that you do not have enough points for.

Upon parking, simply enter and exit the lot or garage as usual with your Automated Pass to have the credit applied to your account. Your credit card will not be charged for the days you have redeemed for free parking. **There are no certificates to present.**

NOTE: You must enter on the day that you redeemed for or the system will not recognize your redemption. If you return later than the date selected the system will automatically charge the card on file for the difference.

Rewards program points cannot be earned on days free parking redemptions are used. Points are only earned on days of paid parking.

This free parking redemption does not reserve a space in the parking lot. If you arrive and the lot is full, you must park in an alternate lot and full payment will still be required. In this case, please contact the Auto-Pilot Rewards Program™ Administration office to have your redeemed points added back into your account. The administration office can be reached at 1-877-735-9280 or info@parkbradley.com.

How do I cancel a parking redemption or view previous parking redemptions made?

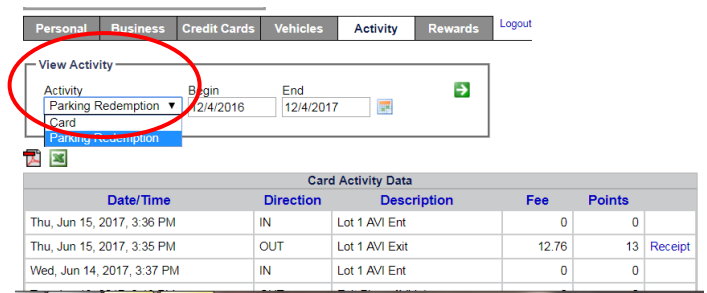

First, login to your Auto-Pilot Rewards Program and select “Activity”.

Under the View Activity box at the top, select the arrow for the drop down under “Activity”.

Highlight **Parking Redemption**.

Click on the Green arrow to the right of the box.

You will then be able to see a list of current and previous parking redemptions.

Parking redemptions can only be canceled or modified PRIOR to entering parking facility for your scheduled parking redemption. Once you are parked, you cannot modify the parking redemption (i.e. add additional days)

FREQUENTLY ASKED QUESTIONS

If your parking redemption has not yet occurred and you wish to cancel it, simply select “Cancel” next to the redemption. To modify an existing redemption, you must first cancel the redemption and then go back to the Rewards tab to make a new parking redemption.

I forgot my username. Where can I find it?

If you have forgotten your username and need it sent to you, simply send an email to info@parkbradley.com with your request and your name. Please note that usernames are case sensitive.

I am having trouble logging in to my account. Who can I contact for help?

If you are unable to login to your account due to a forgotten username or password, please try the following:

1. Username error – note that usernames are case sensitive. If you are still unsuccessful, email info@parkbradley.com with your request and first and last name and a representative will email you with the correct username on file.
2. Password – Passwords are also case sensitive. If you have forgotten your password, use the “Forgot Password” function on the login screen. Your password will be reset to a computer-generated code that you will be able to use to login. Once you have logged-in to your account, you can reset your password.
3. If you are still having trouble logging in using the correct username and a new computer-generated password, close out of the page and enter the login page through www.parkbradley.com (do not use a bookmark to re-access the page). By doing this you will clear out any extra characters that may have been put into the login fields. These are extra characters (like spaces) that happen from copying and pasting and that we can’t always see but the computer recognizes. You can also put your cursor in the username or password fields and hit the delete button a few times to make sure it has been completely cleared.
